

Rangers Nation,

Thanks to everyone for making last week such a special week. The kids loved the parade, the fireworks, and the special Homecoming events. Thank you to our awesome booster club and the many volunteers that helped make everything possible. Also, thanks to everyone who donated candy for the parade. It was a huge hit with the kids along the parade route. As we continue this week with our district play against Westwood I wanted to take a moment and share our coaching staff's appreciation for each of the Ranger Nation fans and all the support and encouragement that is displayed on a weekly basis for your sons and for the program. Our goal is to teach each athlete the many life lessons this great game can teach us and be the class of the district. One of the life lessons we hope to teach is how to respond with class when confronted with adverse situations. As we teach the players how to handle this the right way our staff is asking that you partner with us. We do teach our players that no one always gets it right but we can all work to improve on it. On Thursday night I was able to call Coach Hermes from McNeil and we discussed some of the things that we each saw and heard from both sides of the field and stands. I am attaching a link to couple pages of the [UIL Parent Information Handbook](#) that discusses player and spectator conduct to help remind us all of our responsibility in this mission. Again, thank you for your continued support of Ranger Football.

On another note, we received notification that Westwood only has one JV team, so we were able to schedule our JV Black team a game against Buda Johnson HS who was in a similar situation. That game is scheduled to be played at Ranger Stadium. Please see the rest of the agenda details below.
