SPECTATOR BEHAVIOR EXPECTATIONS

- Always support your team and the efforts of ALL participants involved.
- Do not intimidate or ridicule a player, coach, or official before, during, or after the game.
- Always praise athletes for their actions during a game; never degrade a participant for their efforts. Athletics are a learning experience for students, mistakes happen.
- A ticket is a privilege to observe the game, not a license to verbally assault others or be generally obnoxious.
- Learn the rules of the game so you may understand and appreciate why certain situations take place.
- Always respect the integrity and judgement of officials. They are present to regulate the flow and enforce the rules of the game. An official should never be degraded or ridiculed for a call they make.
- Show respect for the opposing players, coaches, spectators, and support groups. They are school guests.
- Use only cheers that support and uplift the teams.
- Recognize and show appreciation for an outstanding play by either team.
- Refrain from the use of controlled substances before, during, and after the game near the site of the event.
- Be a positive role model at events through your own actions and by censuring those around you whose behavior is unbecoming.

"FOR THE GLORY"

BY CURTIS LOCKLEAR

Whenever we meet a challenge,
the Rangers will stand tall.
We'll set our hearts to the task,
each victory's for us all.

To the runner goes the glory,
though the race be hard and long.
We'll build our lives on all that's right,
stand fast against all wrong.

We'll walk life's path together,
keep each promise that is made.
The pride that's in the Ranger Star,
shines bright and never fades.

As the years go by,
for the red, black and silver,
for the glory, Vista Ridge High.
